As of November 16, 2016 this list supersedes all previous lists for this certificate number.

Vermont Certification is based in part upon current New Hampshire Accreditation Certificate of Approval number 101216, January 21, 2016 – January 20, 2017. Laboratories are certified in Vermont based, in part, upon its Primary Accrediting Authority(ies) drinking water accreditation. Also, loss of drinking water primary accreditation (in part or whole) constitutes loss of certification in Vermont for the same drinking water tests.
